

# Hand & Stone

HEALTHCARE - WELLNESS - DENTAL - VISION

**HAND & STONE**  
MASSAGE AND FACIAL SPA

## **What is a Medical Share Plan?**

Medical share plans have been a part of the healthcare system for over twenty years. To date, there are over a million member who have shared over \$10 billion dollars of medical expenses.

Although a medical share plan is not tradition insurance, they function is a very similar manner, including doctor co-pays for every day needs, prescription plans, preventive care and coverage for large medical costs with an affordable out of pocket maximum.

## All Plans Include:

1

Teladoc - Tele-medicine 24/7

2

Limited Out of Pocket Exposure

3

Medication Management

## More Benefit Resources

4

PHCS Network - a robust medical network

5

Dental/Vision Plan Options - Start at \$25/\$10 mo.

6

WhyFit Health and Wellness App
